

Optional: Guided Tour of Naples Botanical Garden

The Naples Botanical Garden is composed of 170 acres of a world-class tropical paradise with cultivated gardens of Brazil, Florida, Southeast Asia and Caribbean plus beautifully restored natural habitats and walking trails in its preserve. Docents will lead us on a 1.5 hour tour through the gardens. In addition, there is a new visitor center and a full service café for your enjoyment. **Fee: \$20 (minimum of 10 people needed or tour is self-guided)**
